Dear John:

Account number:

**Review status: Vehicle/Vessel Contract Application**

**IVIPS account information access denied:**

Upon careful review of the information provided on your application, we determined that yours are not permissible uses under which release of this information is allowed, pursuant to the federal law called the Driver's Privacy Protection Act (DPPA), 18 USC Sections 2721 and 2725; and state laws RCW 46.12.630, RCW 46.12.635 and WAC 308-10-050(3) & 075, RCW 79A.60.230, RCW 79.100.010, RCW 53.08.310 and WAC 308-93-087.

On your application, you stated as your reason for access:

- We need to access vehicle records for security reasons. The Starbucks garage is a secure facility, and motorists need special permission for access. While we require all vehicles owners to register their vehicle information, we occasionally have unregistered vehicles in the garage and we need to be able to contact the owners. Some of these vehicles are suspicious, some are blocking egress or are parked erroneously in designated spaces, or may not have permission to park in the facility.

This use is not permissible according to the DPPA, 18 USC, section 2721, 3(A)(B) which allows access to personal vehicle owner information only to: 3) "For use in the normal course of business by a legitimate business or its agents, employees, or contractors, but only-(A) To verify the accuracy of personal information submitted by the individual to the business or its agents, employees, or contractors; and (B) If such information as so

submitted is not correct or is no longer correct, to obtain the correct information, **but only** for the purposes of preventing fraud by, pursuing legal remedies against, or recovering on a debt or security interest against, the individual."
